Dear Sir:

I am just in receipt of your resolution postmarked October 23, relative to Marine radio operators.

You may be assured that this matter will receive my attention at the time it comes before Congress, and I trust that you will have confidence in me to the extent of believing that I will vote for what I think is right and proper. I have not as yet given the matter serious study, but shall do so before voting upon it.

Yours very truly,
