Dear Mrs. Wheeler:

I have your letter of January 21st requesting my support of H. R. 5477, which is a bill for the benefit of members of our Merchant Marine.

I have received numerous letters relating to this measure, and am making a study of the status of such men in order to determine what I think can and should be done for them. You, and the other members of the Tulsa Chapter of the Maritime Mothers' Club, may rest assured that when this legislation comes to the floor of the House I shall give it thorough and conscientious consideration, and cast my vote in accordance with my best judgment.

Hoping you will write me whenever you feel I can be of service, I am

Sincerely yours,

George B. Schwabe, M. C.
