Dear Miss Hamilton:

I am just in receipt of your letter of the 19th instant requesting my support of H. R. 605 concerning which you say Mr. Fox will likely telephone me here.

I am glad to be of any service I can in assisting our old people, and shall do everything possible to see that in the future it will only be necessary for one to have attained the age of sixty or sixty-five years, and be a citizen of the United States, in order to become eliglble for old age assistance. I have no doubt you feel keenly the abuse which has been heaped upon our old people by the manner in which these matters have been handled in the past.

It was nice of you to have written me, and I trust you will do so whenever you have anything to say that you think will be helpful to me in representing the people of our District.

With best wishes, I am

Sincerely yours,

George B. Schwabe, M. C.
