GS:lw

Hon. George B. Schwabe;  
Congress of United States  
Washington D. C.

Jan 21. 1945.

Dear Mr. Schwabe;

I am glad to notice you are our new Congressman  
to represent the people of this district. and we hope  
you will do your part to land something good, for  
the benefit, for the unfortunate Father and  
mother, that produce the wealth, of this country  
and has help, to put you over you are to day it is  
worth something, of your time to help we will  
you are ther, it will help you to go back again;  
one more, in life;

I understand the old age pension, will come up  
on the floor for the member, of congressmen  
consideration, to vote on a Federal pension and  
all the expenddr be remove out, of the hand, of the  
state, of Oklahoma, and pension board, and care  
workers to be remove, and ther wages be turn in  
to help to pay the poor old folks. \$ 40. flat Federal  
pension to stop the graft pension, in our state;

If this is not something done, on their old age pension  
so we can live, her is another point, we wont, to  
point out to you, is out, of reason, we must stay  
in state of Oklahoma, as long as we get a state  
assistance just like we are in jail, we cant move  
else we out, of the state If we move else we our  
pension assistance cut, of, to deprive, a human  
mind and thoughts, of a feeling, to live else we  
is out, of reason, our member of congress should  
passed, and old age Federal pension, so we can live  
else we wont too in United States;

As i see, There will be lots of trouble will come  
out, of this, old age pension assistance proposition  
The people will come together, to find out the care  
workers view, how much old age pension assistance  
they are giving; that does not need it, and how  
much they are giving to poor old folks, that needs  
it, giving some a full plate, and some an empty  
one, this view is not going work much longer If  
congressman will not pass a Federal pension, to  
bring the poor old people peace, somthing else will turn  
up;

We hope our member of congress will vote on making it a Federal pension, it will do away with so much trouble, on pension assistance, you congressmen got eager to see, graft pension in all the states, the people pay in the sales tax money, not for care workers and pension boards, it is paid in, for the poor old people & for old babies, over more in life, we all get same taste in life, when we grow old, to do old poor people wrong, that can't help that self, is willfully out of reason. I think you will agree with me that there is sense, and reason in all business matter; There is lots, of work, else over, the care workers, and pension board, can get, it now.

With Kindert, regards, I am  
cordially and sincerely;
