Dear Mr. Green:

I am happy to have your letter of the 15th instant and appreciate so much your interest in the pending Townsend bill. It has not yet come to the floor of the House of Representatives, and I don't know for sure that this New Deal crowd which has a big majority in the House, will ever have the intestinal fortitude to bring it out for a vote. You know they are long on promises and short on performances.

Again thanking you for your interest and support, and with all good wishes, I am

Your friend,

George B. Schwabe, M.C.
