Dear Miss Hale:

Your letter relative to Old Age Pensions has been received at Congressman Schwabe's Washington office during the Congressman's absence from the city.

I wish to thank you for your expression of your views on this subject, and to assure you that your letter will be brought to Mr. Schwabe's attention upon his return to Washington early in January. Congressman Schwabe deeply appreciates having the views of his constituents on controversial issues, and I know he will be glad you wrote him.

Dear Sir -

in regard to
the old Age Pensions
I greatly appreciate
your view in regard
to this matter and I
do hope that the Case
workers will be cut
out of going and asking
the old people all these
questions the fact that
they are American Citizens
and 65 years of age was
what we voted for
