Dear Mrs. Jones:

I am just in receipt of your letter of recent date, requesting me to support H. R. 2859.

I have just ascertained that no action has been taken by the Committee to which this bill was referred and no hearings are scheduled to be held. I have no way of knowing just when the bill may be considered, or whether or not it will ever come before the House for a vote. I am not a member of the Committee to which the bill has been referred.

Sincerely yours,

George B. Schwabe, M. C.

Dear Sir:-

I am asking for your support on H. R. 2859 which will provide pensions for world war 1 veterans under the same conditions enjoyed by the Spanish American war veterans. For disabilities that may develop after military or naval service is completed.

I am the wife of a world war 1 veteran and have a son in world war 2. I would ~~certainly~~ certainly appreciate anything you can do in regard to H. R. 2859.

Sincerely

Jewel J. Jones
